

Collected Public Domain Works of Stanley G. Weinbaum By Stanley G. Weinbaum (1902–1935)

Stanley G. Weinbaum is best known for his short story "A Martian Odyssey" which has been influencing Science Fiction since it was first published in 1934. Weinbaum is considered the first writer to contrive an alien who thought as well as a human, but not like a human. A Martian Odyssey and its sequel are presented here as well as other Weinbaum gems including 3 stories featuring the egomaniacal physicist Haskel van Manderpootz and his former student, playboy Dixon Wells.
